Product Description Need to change / fix your front window that folds down in half.

Use our kit -

it contains: 1 - 49" Flex-Hinge.

This has UV protection so it will last.

It is very strong and rugged.

Long enough to fit most golf carts.

It is very easy to cut if you happen to need it shorter.

^

1 - Tube of Weld-On Solvent Cement.

This will bond the hinge to acrylic/plexiglass windshield.

More than enough to get the job done.

4 - Clear rubber bumpers.

Put on the windshield so when you fold it over it keeps it from hitting and no noise from vibration or bumps.

1 - Instructions.

^

Or if you want to convert you windshield to a two part fold over. Just have your acrylic/plexiglass windshield cut in half and use our kit to complete the task. - - **
