Description

Micro-Hinge

Sold in Pairs (set of 2 hinges)

“See The Product not the Hinge”

Using our “patent pending” micro design technology, this hinge is only 0.65” L x 1½” W making it

very small yet stronger than most of the other, larger hinges on the market today. This hinge is not limited to only small displays but larger displays as well because of its remarkable strength.

Material: Acrylic DR101 (Clear) and ABS (Black).

Solvent Bondable: Acrylic, ABS, Styrene, and Polycarbonate.

Size: 1-1/2” L x 0.65” W x 1/4” H

ABC Plastics, Inc. is the Original Designer & Manufacturer of the Micro-Hinge

Units in box: 100
