Material: Flexible polyester elastomer center with outer rigid vinyl channels.

Attachment: Mounts to most any hard material that is 1/8", 3/16" or 1/4" (3.175mm, 4.5 mm or 6 mm) in thickness by sliding hinge along edge of plastic.

Time Saving: Completely eliminates the need to solvent bond hinge to lid or door.

Size Assembled: 1-1/4" W x 72" L (32 mm x 1829 mm)

Not recommended for prolonged outdoor use.
